

Don Jamal

BIO: Originally from the Middle East, Don Jamal has made a name for himself in the West Coast Dub Scene. Notable shows include, support for Of The Trees, Skream, Mr. Carmack, all being sold out shows. Notable Label releases include: Deep Dark and Dangerous, Space Yacht and Phuture Collective. His sets aim to take you on a journey and include many genres with his own twist. Being from Jordan, a place where the bass scene is non-existent, he aims to encourage any talent from there to pursue the same journey.
